INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

(1) *The Cherokee Nation* v. *The United States*, General-Jurisdiction Case No. 23199; (2) *The Eastern and Emigrant Cherokees* v. *The United States*, General-Jurisdiction Case No. 23212; and (3) *The Eastern Cherokees* v. *The United States*, General-Jurisdiction Case No. 23214.

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than $1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determing the eligbility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records(filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Related Records

The records reproduced in this microfilm publication are part of the records in the custody of the National Archives and Records Service (NARS) designated as Records of the U.S. Court of Claims, Record Group (RG) 123. Among related records in this record group are additional records relating to Miller's enrollment of the Eastern Cherokees. These include receipts for Treasury warrants and miscellaneous correspondence, 1906-11. The original of these records is in RG 123; a copy is in RG 75.

Some related records in Records of the Bureau of Indian Affairs, RG 75, have been reproduced as NARS Microfilm Publication T496, *Census Roll, 1835, of the Cherokee Indians East of the Mississippi and Index to the Roll*. Also in RG 75 are the classified subject files of the Bureau.

Records Relating to Enrollment of Eastern Cherokees by Guion Miller, 1908-10, M685, contains the general index to Eastern Cherokee applications, 2 volumes; the report submitted by Guion Miller, May 28, 1909, 10 volumes; the roll of Eastern Cherokees, May 28, 1909; the report on exceptions filed, January 5, 1910; the supplemental roll of Eastern Cherokees, January 5, 1910; transcripts of testimony, February, 1908-March 1909, 10 volumes; various indexes and rolls of Eastern Cherokee Indians, 1851, 1854, and 1884; and miscellaneous notes and drafts.

Additional records relating to the enrollment of Eastern Cherokee Indians are in Records of the Office of the Secretary of the Interior, Record Group 48.

These records were prepared for filming by Jestine Turner and William D. Grover, who also prepared these introductory remarks.

Sir:-

Replying to your letter of September 4, 1907, you are advised that the applications for participation in the Eastern Cherokee fund have not been taken up for final consideration, and we cannot state at this time whether or not you are entitled to share in this fund, or the amount each successful claimant will receive.

As there are over 40,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If there is any forther information required in connection with your application you will be notified.

We are personally acquainted with W. H. Ledford, having lived a neighbor to him for some time. We are informed that he has Indian blood in him. We get this information from him and also from a letter written to him by his father, C. N. Ledford, which we have read. This letter states that W. H. Mr. W. H. Ledford,
Soddy, Tenn.

Sir:

Your letter of May 29, 1907 addressed to the Honorable Commissioner of Indian Affairs has been referred to this office for reply. In it you make inquiry as to the standing of Messrs. Bickford, Winans and Clegitt. In reply you are advised that so far as we know the firm mentioned is in good standing in this community, but we do not undertake to make recommendations as to the employment of attorneys.

In further reply to your letter you are advised that there have been filed something over twenty-four thousand applications for participation in the Eastern Cherokee fund, but none of these applications has been as yet finally adjudicated, and no money has been paid out, nor can any one be paid until the whole enrollment is completed.

Very respectfully,

Special Commissioner

Dear:

I am returning you Today under separate cover the several claims of my Wife & adult children with such proof of Indian blood as I have been able to make at present.

It is a fact that some of the ancestors of these claimants are on the Government Rolls.

I think an examination by you of the rolls will prove this fact. John Langley a half blood Cherokee & probably his sons Francis Marion Tidwell & Richard Tidwell are said to be enrolled.

There are or ought to be on file in Washington papers that make stronger cases than these that were filed during the sittings of the Dawes Commission.

Many old witnesses have died

since that time, but it seems to me that facts proven to them ought to be made available now.

Write me fully under what act of Congress you are now proceeding and what you think of the chances of these claimants.

Respectfully yrs

Dallas, Georgia.

Sir:-

Replying to your letter of May 7, 1907, addressed to the Honorable Commissioner of Indian Affairs, and relative to the application of Mrs. Hattie Hawkins for participation in the Eastern Cherokee fund; you are advised that under a recent order of the Court of Claims all Eastern Cherokees by blood, who were living on May 28, 1906, and who can prove that they are descended from Eastern Cherokee Indians, parties to the Treaty of 1835-6 and 1846, will be entitled to participate in this fund. Minor children are to be enrolled with their parents, and children who are of age should file separate applications.

An abstract of the decree of the Court of Claims is inclosed, herewith, for your further information.

We cannot state, at the present time, just when this money will be paid, as there are already over 22,000 applications on file and the claimants are widely scattered through the United States and it will necessarily take considerable time to have all of these cases adjudicated; and until they are so determined no money can be distributed. The letter you inclosed is returned.

Very respectfully,

Special Commissioner.

My name is Marion T. Green and I reside at Mills Spring, N. C. I was born in Cleveland Co., N. C. in 1851. I claim relationship to the Cherokee Indians through both my mother and father. My father's name was Berry Green and he was a quarter Cherokee Indian. My mother's name was Dicey Green, whose maiden name was Dicey Prichard, and she was a quarter Cherokee Indian. My mother and father were first cousins, and they were both born in Cleveland County, N. C. My mother was born in 1827 and my father in 1829. My father's ~~sisksmbxkksmgdrhk~~ father, Eli Green, was a white man and he married Sallie Prichard, and she was a half Cherokee Indian. My mother's mother was a white woman and my mother's father was Jesse Prichard and he was a half Cherokee Indian. My father had ~~tmoee~~ two brothers, namely, Jesse and Robert Green, and three sisters, ~~nameky~~, Tempie and Mary and Sarah. Sarah Green did not marry until after the War. I do not know of any of my father's people or mother's people going West with the Indians. My great-grandfather on my mother's side was named Moses Prichard and he was a full blood Cherokee Indian. My people always lived in Cleveland County until the year 1857, when they moved to Polk Co., N. C., and we have lived here ever since. My people were always recognized as Indians with white blood and associated with white people. We claim our Indian blood through the Prichards. We have always been taught to spell our name P-r-i-t-c-h-a-r-d and never heard it spelt Pritchet.

Dear Sir:-

Please note the enclosed letter from Mr. F. E. Greene, Charlotte, N. C., and kindly let me know if the list of Eastern Cherokees who are entitled to share in the distribution of the $4,500,000 appropriated is yet complete.

Thanking you for the information, I am,

Yours very truly, &c.,

E. Y. Webb.

App. No. 9569.

March 11, 1908.

Honorable E. Y. Webb,

House of Representatives,

Washington, D. C.

Sir:

Your letter of March 10, 1908, addressed to the Honorable Secretary of the Interior, has been referred to this office for reply.

You inclose a letter from Mr. F. E. Greene, of Charlotte, North Carolina, and make inquiry relative to his application for participation in the Eastern Cherokee fund.

In reply I have the honor to state that this application has not been reached for final adjudication and we cannot state, at the present time, whether he is entitled to share in the Eastern Cherokee fund.

You are further advised that we cannot state when this fund will be distributed. It will be necessary first to have a complete enrollment of all those entitled to share in the fund and to have this enrollment approved by the Court of Claims, and until this is done no money can be distributed.

More than 44,000 applications have been filed by claimants residing in all parts of the United States. These

applications will all have to be examined, grouped in families, and in many instances testimony will have to be taken in the field before a decision can be reached as to the merits of the claim. This will necessarily take considerable time.

Mr. Greene's letter is returned, herewith, as requested.

Very respectfully,

Special Commissioner.

Mrs. Mary Beam is my sister; I am 16 years older than she. I am 68 years of age; was born in Marshall County, Ala., and have lived here all my life. I claim Cherokee Indian blood through my mother. My mother was born in Bedford County, Tenn. She lived among the Indians until they were taken away. She was small when the Indians went away but her father would not let her go. I have never received any Indian money from the government and never tried to get any prior to this time. I never heard of a government agent through her paying the Indians in 1851. I never heard of a government agent through here about 1884. Some of my people went West with the Indians but have forgotten their names. My mother, father and grandparents all told me I had Cherokee Indian blood. The Indians were carried away before I remember.

App. 9576.

March 15, 1907.

Hon. George W. Taylor,

House of Representatives,

Washington, D. C.

Sir:-

I have the honor to acknowledge receipt of your letter of March 13, 1907, inclosing a letter from Emeline J. Smith, of Mt. Vernon, Alabama, making inquiry as to her claim as an Eastern Cherokee Indian.

In reply you are advised that under the terms of a recent decree of the Court of Claims, and an appropriation contained in the General Deficiency bill of June 30, 1906, there is a fund of something over $4,000,000, to be distributed to the Eastern Cherokees.

The application of Mrs. Smith has been duly filed as Number 9576, and appears to be in regular form. This office has so far been unable to take up this application for final consideration, and is therefore unable to state whether or not her claim will ultimately be allowed.

It is noticed that Mrs. Smith states that some one purporting to be an attorney from Indian Territory demanded from her and her three sons, $25 each as a fee to present their claims for certain lands in Indian Territory. The letter, how-

ever, fails to state the name of this attorney. It is quite possible that this money was obtained fraudulently, and if Mrs. Smith knows the name and address of the party she should forward it to this Office immediately. She should also state, as nearly as possible, when she paid this money.

Mrs. Smith's letter is returned, herewith.

Very respectfully,

Acting Commissioner.

Mrs. Elizabeth J. Smith,

Madam:

Relative to your application for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, about when was your father born, and where was he residing in 1835? Why was your father not enrolled with the Eastern Cherokees in 1835 and 1851. Why have you never been enrolled?

Were you or your parents slaves? If so, state whether slaves of Indians or white people. Were you, your father or mother a member of any tribe of Indians other than the Eastern Cherokee? If so, give the name of the tribe. Where were your grandparents on your father's side born, and where were they residing in 1835?

Dear Sir

please let me know whether my application was accepted or not and let me know if all my children made claim under the Choctaw name 2 was a way from home when my children made application so 2 didnt know that they had named the Choctaw as our tribe it was a bad mistake on their part but they dident know for all the Indian blood that we claim to was through my Grandmother Rachel Brashears (nee Durant) and she was Cherokee Indian but

Any children didnt know it
they know the Choctaws for there
is Some of them here yet
So please try and fix up their
claims for we are truthfully
and honestly entitled to it
I have Cherokee Indian blood
in me, and it looks to me
that my children ought
to have, and if my claim
is accepted theirs ought to be
but you ought to know better
than I do, how am I to know
when my claim is accepted or

dont let me know anything
though I will have to trust
you now

So please let me hear

Mary L. Fox, after being first duly sworn, deposes and says:

I am 54 years of age; was born in Haversham County, Ga. I claim Cherokee Indian blood through my mother. My mother lived in Haversham County, Ga. Neither my mother nor myself ever received any Indian money. I do not think my mother ever tried to get any. Rebecca Dover was the Indian. I remember my grandmother. She lived in Habersham County, 7 miles from Clarkesville. She lived there with the Indians when they were taken away. I have a record of this. My mother could remember when the Indians were taken away. My grandmother was half Indian. Only the full bloods were taken away. We left there when I was small. My parents told me of my Indian blood as far back as I can remember. Ten years before the war we lived in Haversham County. I never heard of Hester, the enrolling agent.

Miss Sizemore,

Glen,

est Virginia.

Sir:-

Your letter of November 17, 1907, relative to the Eastern Cherokee enrollment, is at hand.

In reply you are advised that claim ts who can trace their descent from ancestors who were recognized members of the Eastern Cherokee Tribe in 185 . ill be entitled to enrollment, even though the names of their ancestors may not appear upon the rolls of 1851.

Each Eastern Cherokee who is now enrolled will receive the same sum, but that this amount will be is dependent upon the number who are finally found to be entitled to enrollment. There is no way of determining the number at this time, but it is probable that the amount distributed to each successful claimant will be somewhere between 50 and $1 0.

Very respectfully,

Special Commissioner.

Dear Sir
Should you want any more proof on my claim- as I have given you proof on my father side- and one of the same witness by the Name of Louisa Miller will testify on my mothers side- you can take her deposition took- any time after my mothers father was of the Cherokee Tribe of Indians- I think you have the deposition already on my Father side

if a Cherokee Indian at all, appears to have abandoned the Tribe as early as 1810, twenty-five years prior to the Treaty of 1835, under which the rights to participate in this fund accrued. She was living fully 325 miles from the Cherokee domain at the time of the Treaty.

The applicant's grandmother does not appear to have been enrolled with the Cherokees in 1835.

While this action is not final it is quite probable that the claim will ultimately have to be rejected.

I have the honor to acknowledge receipt of your letter of May 16, 1908, relative to the application of Banjamin Baker, of Abingdon, Virginia.

In reply you are advised that it is impossible to state at the present time when Mr. Baker's application will be reached for final adjudication.

There are more than 44,000 applications filed in this office, by claimants residing in all parts of the United States, and these applications will have to be examined, grouped in families, and in many instances testimony will have to be taken in the field before a decision can be reached as to the merits of the claim.

You are advised, however, that a preliminary examination of this claim, taken in connection with the statements made by the claimant in person when in this office, has led us to the conclusion that the claim will probably have to be rejected, as the claimant's father appears to have been born in Halifax County, North Carolina, in 1833, and his grandmother through whom he claims,

#2--C. B.Slemp:

if a Cherokee Indian at all, appears to have abandoned the Tribe as early as 1810, twenty-five years prior to the Treaty of 1835, under which the rights to participate in this fund accrued. She was living fully 325 miles from the Cherokee domain at the time of the Treaty.

The applicant's grandmother does not appear to have been enrolled with the Cherokees in 1835.

While this action is not final it is quite probable that the claim will ultimately have to be rejected.

My father's father was John Hart, and I have heard that he was related to James and Ned Hart, who lived in Ashe County. I suppose that James Hart, who married Catharine Sizemore, would have been my great grandfather. Until the agitation of the Indian matters, I never heard much about my Indian blood, only when I had it thrown up to me. My father's Indian blood came through his father, John Hart. I have never heard of my father or grandfather ever receiving any money from the Government on account of his India n blood.

I don't know of Lewis having any borthers older than he but I think he had a sister named Saw-kin-nih that was older but I don't think she was old enough to draw. Jesse had a brother named Dool-day-nuh. (See C. S. 462 for brother of Jesse.) There was a woman that lived around the neighborhood by the name of Mutty and lived right by Jesse. (See C.
